OPERATOR LICENSING EXAMINATION SITE VISIT REQUIREMENTS  
THROUGH DECEMBER 1985 (GENERIC LETTER 83-01  
DATED JANUARY 11, 1983)

Gentlemen:

In response to the subject letter, Georgia Power Company (GPC) requests NRC staff site visits to conduct operator licensing/instructor examinations through February 1986 on the following schedule:

Category of Examination:

- (1) Initial (cold) license examinations for units applying for operating licenses.
- (2) Initial license examinations to extend licenses to a second, identical unit after initial licensing.
- (3) Examinations to support certification of utility employees as instructors.
- (4) Examinations to support certification of individuals who are not utility employees, but who are under contract to instruct licensed operators.
- (5) Examinations for initial licensing of personnel at operating facilities or for upgrading a license from the Reactor Operator level to the Senior Operator level.
