NOTICE

February 28, 1983

A hearing is scheduled to begin at 9:30 a.m. on Monday, March 7, 1983, in the reopened phase of this proceeding.

The licensee and the staff shall present direct evidence and we intend to have the licensee present its witnesses first.

In ALAB-715, issued today, we have authorized issuance of a subpoena directed to a member of the staff of the Commission's Office for Analysis and Evaluation of Operational Data. Such staff member shall testify at the end of the staff's presentation.

The Union of Concerned Scientists will have the first opportunity for cross-examination of all witnesses, to be followed by the licensee and the staff, as appropriate.

The parties are reminded that they are required to file briefs, which shall include any findings of fact or conclusions of law that they wish us to make in connection
