Subject: Modification of Certificate of Compliance  
Radioactive Materials Package  
Identification No. USA/9080/A  
HNDC Model No. HN-600

Dear Mr. MacDonald:

It is requested that the following paragraphs of the Certificate of Compliance, Package Identification No. USA/9080/A be modified to read:

Paragraph 6

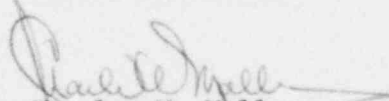

"Shoring shall be placed between small secondary containers and the cask cavity to prevent movement during normal conditions of transport. Shoring is not required when containers or pallet designed to fit the cavity are used."

Paragraph 8

"Prior to each shipment, the seal on the main cover and the seal on the shield plug cover, if opened, or if the security seal is broken, must be inspected. The seals must be repaired or replaced if the inspection shows any visible defects or every twelve (12) months, whichever occurs first."

It is requested that Revision 6 to the Certificate of Compliance be issued expeditiously. Enclosed is a check in the amount of \$150 to cover the fee for processing this amendment.

Very truly yours,

  
Charles W. Mallory  
Director, Engineering  
Westinghouse
