Dear Sir/Madame:

Pursuant to the Freedom of Information Act, U.S.C. @ 552, I hereby request copies of all documents, including memoranda, letters, studies, reports, and any other written communications pertaining to the Nuclear Regulatory Commission's statement in the November 13, 1982 Inquirer.

Under the headline "U.S. orders end to work on Ohio nuclear plant" as it related to the Zimmer Nuclear Reactor in Cincinnati and the Bechtel Corporation, I seek the above documentation as it relates to the Nuclear Regulatory Commission's statement that it wanted to look into the question of whether the review (of the Zimmer Plant) should be performed by Bechtel, quote: "in view of some problems at other nuclear plants involving Bechtel".

If my request is not granted within ten(10) working days, I will deem it denied.

FRR/jcc

Sincerely,

Frank R. Romano, Chairman
