Re: Docket No. 40-8681, SUA-1358/Effluent Report

Dear Mr. Gillen:

Enclosed are seven copies of the White Mesa semi-annual effluent and environmental monitoring report for the period October 1 through December 31, 1982. A copy of this report is being sent simultaneously to I&E in Arlington, Texas.

Please note that pursuant to License Condition No. 50 the report has reverted to a semi-annual basis. However, due to this changeover the report covers only the last quarter of 1982.

Please direct any questions to Mr. Donald R. Sparling or Don E. Smith at the White Mesa Mill (801-678-2221).

Very truly yours,

Harold R. Roberts  
 Senior Project Engineer
