Docket Nos. 50-352 and 50-353

Dear Mr. Wetterhahn:

This confirms the agreement reached in our telephone conversation this morning in which we agreed to the arrangements under which documents produced by Philadelphia Electric Company in response to Judith A. Dorsey's informal discovery request of August 26, 1982 would be made available to the NRC Staff. Our agreement was that the documents would be available for the Staff's examination in Philadelphia until the end of February. I will inform you further regarding which Staff members will be visiting Philadelphia Electric's document room and on what dates as soon as I have that information.

Sincerely,

Ann P. Hodgdon
