In the Matter of  
GEORGIA POWER COMPANY, et al.  
(Vogtle Electric Generating Plant, Units 1 and 2)  
Docket Nos. 50-424-OLA-3, 50-425-OLA-3

Dear Administrative Judges:

During the prehearing conference held on June 23, 1994, the Staff informed Intervenor that Staff would respond on July 15, 1994, to "Intervenor's Second Set of Interrogatories and Requests for Documents to Staff of the U.S. Nuclear Regulatory Commission," dated May 17, 1994. Tr. 39. The Staff also indicated that it would notify Intervenor on July 15 as to when it would respond to Intervenor's Requests for Admissions, dated May 17, 1994. Tr. 39-40.

In light of the Staff's offer to respond by July 15 and the Board's acceptance of this schedule, the Staff views Intervenor's Motion to Compel, dated June 23, 1994, as moot. Accordingly, the Staff will not be filing a reply to Intervenor's motion.

Sincerely,

*Mitzi A. Young*
