Gentlemen:

This refers to your letter of December 3, 1979, which submitted information to comply with Condition 16 of License SUA-917.

Our Licensing staff has reviewed the information and determined that an amendment will be required to License SUA-917. Your request, therefore, is subject to a minor safety and environmental amendment fee of \$3,500 as specified in fee Category 2A of Section 170.31 of Part 170, copy enclosed. Payment should be made to the U.S. Nuclear Regulatory Commission and mailed to my attention. When submitting the fee, please refer to CONTROL NUMBER 14925.

Please note Footnotes 1(d) and 4 of Section 170.31, which provide that upon completion of the licensing review, the Commission will review its expenditures for professional manpower and appropriate support services; recompute the amendment fee, and, if necessary, refund any overcharges.

Sincerely,
