Docket No. 50-461

Illinois Power Company
ATTN: Mr. W. C. Gerstner
Executive Vice President
500 South 27th Street
Decatur, IL 62525

Gentlemen:

This letter confirms the discussion on September 16, 1982, between Mr. D. E. Keating of this office and members of your staff regarding our concurrence for a limited work resumption on Confirmatory Action Letter dated September 1, 1982 (Stop Work Action 019). The scope of this work resumption is limited to conduct inspections of bolted friction connections for which documentation has been destroyed, your reference Partial Release 2A-1.

Illinois Power Company is reminded that work can commence only after completing the following:

1. The Partial Release Plan and revised inspection check list are reviewed and approved by proper authority of Illinois Power Company and Baldwin Associates.
2. Baldwin Associates Procedures BAF 3.1.2 and QCI 203 are revised to differentiate between in-process and final inspection.
3. The Plan, inspection check list, and procedures are concurred in by our Senior Resident Inspector.

We will gladly discuss any questions you have concerning this limited work resumption.
