Dear Administrative Judges,

Enclosed is DAARE/SAFE's proposed findings of fact and conclusions of law regarding Waterhammer, DAARE/SAFE Contention 9a. We are not enclosing a version of our procedural history as a preface for our facts and conclusions as we have reached agreement with Edison and Staff and join in adopting as a preface Applicant's version to be served with it's findings and conclusions. Lastly, we apologize for not sending this filing out by expedited means, according to Board wishes. At this point our financial limits preclude it. Service of this filing is being made via U.S. Regular mail or messenger to the Board and parties.

Respectfully yours,
