Dear Ms. Jeffs:

Enclosed are the documents you requested in your fax of June 30, 1994.

After checking with NRC's Distribution Services, the Agreement States are sent copies of Information Notices and Regulatory Guides. However, NUREGs are not distributed automatically to the Agreement States. If there is a NUREG you are interested in, please contact Kathaleen Kerr of the Office of State Programs.

The distribution of Agreement State documents to the State of Kentucky are mailed to John Volpe.

If I can be of further assistance to you, please let me know.

Sincerely,
