Dear Mr. Shelley:

In response to your letter of February 24, 1983, we will be pleased to reopen the Local Public Document Room (LPDR) located at the Sallisaw City Library, Sallisaw, Oklahoma, for the Kerr-McGee Uranium Hexafluoride Plant, Sequoyah Facility, License No. SUB-1010, Docket No. 40-8027. However, it will not be possible for us to reproduce and forward that correspondence which has been transmitted since the closing of the Sallisaw LPDR. We will consider your February 24, 1983 request as the reopening date for the LPDR and will forward all correspondence beginning with that date.

Sincerely,

15

W. T. Crow, Section Leader
