Dear Judge Kelley & Board, June 22, 1983

This is written notice that I have today contacted Deborah Bauser's office (atty for Applicants) to open negotiations re their responses & objections to my interrogatories re Eddleman Z9 #37B (dated 17 June 1983). She wasn't in but I left a message detailing all this & we'll set a time to begin negotiations as soon as we make contact. Those negotiations toll the time for any motion to cancel. If negotiations fail, a motion to compel will follow w/in 10 days. I have also contacted Tom Baxter to negotiate 1 July re #41&65. Nelly Eddleman
