Dear Secretary to the Commission,

This morning I
sent a request letter to be
able to speak publically in
front of the NRC on July 14th
in Hauppauge. I was
wondering if it might be
possible to schedule me in the
morning session, since I am
coming a long way and I
have little ones at home
that still want me to be home.

Thank you for your time;

Respectfully,

Helene Forat
