Attention: Mr. John Kinneman, Chief
Research, Development and
Decommissioning Section

Reference: License No. SMB-179
Docket No. 040-00672
Control No. 117780

Subject: NRC letter dated 23 July 1993
Site Characterization Report for the Holding Basin
Addendum I

Dear Mr. Kinneman:

Please find enclosed one (1) copy of NMI's letter of this date to the office of Ms. Rodene DeRice, Massachusetts Department of Environmental Protection (DEP), regarding our recent submission of the "Site Characterization Report for the Holding Basin, Addendum I".

Also, please find two sets of tab marker labels titled "Section I" and "Section II". These labels can be inserted in the yellow and green tab dividers found in the Addendum Report referenced above. We apologize for any inconvenience associated with our oversight; the dividers in the two copies of the report that were sent to you last Friday (Jan. 7th) were not labelled.

Encl/ NMI letter to DEP dated 11 Jan 93.

Sincerely,

Frank J. Vumbaco
Vice President,
Health and Safety
