NOTICE OF VIOLATION

Interstate Power Company

License No. 14-18644-01

As a result of the inspection conducted on June 6, 1983, and in accordance with the NRC Enforcement Policy, 47 FR 9987 (March 9, 1982), the following violation was identified:

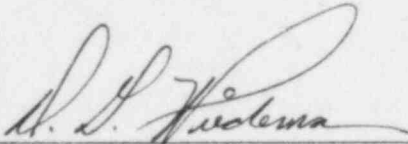

Condition No. 12 of your license limits the use, or supervision of use, of licensed material to a named individual.

Contrary to this requirement, from December 12, 1980, to the day of the inspection, June 6, 1983, an individual not authorized by this license condition routinely used licensed material at your Clinton, Iowa facility and you failed to amend your license to reflect this use.

This is a Severity Level IV violation (Supplement VI).

Pursuant to the provisions of 10 CFR 2.201, you are required to submit to this office within thirty days of the date of this Notice a written statement or explanation in reply, including for each item of noncompliance: (1) corrective action taken and the results achieved; (2) corrective action to be taken to avoid further noncompliance; and (3) the date when full compliance will be achieved. Consideration may be given to extending your response time for good cause shown.
