

# MITRE

16 February 1994

Mr. Eric S. Beckjord, Director  
Office of Nuclear Regulatory Research  
U.S. Nuclear Regulatory Commission  
Washington, D.C. 20555

Dear Mr. Beckjord:

Enclosed are the reports from the October 15, 1993 meeting of the Advanced Reactor Subcommittee and the December 16-17, 1993, of the Waste Subcommittee of the Nuclear Safety Research Review Committee (NSRRC). These reports were discussed at considerable length at the January 13-14, 1994 meeting of the NSRRC. The Committee, after its deliberations of the subcommittee reports, endorsed them and has accepted them as reports of the NSRRC.

Sincerely,

David L. Morrison  
Chairman  
Nuclear Safety Research  
Review Committee
