MEMORANDUM FOR: C. J. Heltemes, Jr., Deputy Director
for Generic Issues and Rulemaking
Office of Nuclear Regulatory Research

FROM: Richard L. Bangart, Director
Office of State Programs

SUBJECT: OFFICE CONCURRENCE IN FINAL RULE: TIMELINESS IN
DECOMMISSIONING OF MATERIALS FACILITIES

We have reviewed the draft Commission Paper and Federal Register notice which will present the final rule for timely decontamination and decommissioning of the facilities of nuclear materials licensees. We concur in the package, but would suggest asking Congressional Affairs if adding Representative Synar as Chairman of the House Government Operations Committee's Subcommittee on Environment, Energy and Natural Resources would be appropriate since his Subcommittee is interested in and has held hearings on the subject.
