Wichita, Kansas 67201

Gentlemen:

This refers to the inspection conducted by Messrs. R. P. Mullikin, J. E. Bess, and Ms. M. J. Roberds of our staff during the period February 14-18, 1983, of activities authorized by NRC Construction Permit CPPR-147 for the Wolf Creek Unit 1, and to the discussion of our findings with Mr. C. Parry and other members of your staff at the conclusion of the inspection.

Areas examined during the inspection and our findings are discussed in the enclosed inspection report. Within these areas, the inspection consisted of selective examination of procedures and representative records, interviews with personnel, and observations by the inspectors.

Within the scope of the inspection, no violations or deviations were identified.

In accordance with 10 CFR 2.790(a), a copy of this letter and the enclosure will be placed in the NRC Public Document Room unless you notify this office, by telephone, within 10 days of the date of this letter, and submit written application to withhold information contained therein within 30 days of the date of this letter. Such application must be consistent with the requirements of 2.790(b)(1).

Should you have any questions concerning this inspection, we will be pleased to discuss them with you.

Sincerely,

"Original signed by
W. C. SEIDLE"

W. C. Seidle, Chief
Reactor Project Branch 2
