Docket No. 99900088/82-01

Harnischfeger Corporation
ATTN: Mr. Gerald H. Goff
Director, Quality Assurance
4400 West National Avenue
Milwaukee, WI 53201

Gentlemen:

Thank you for your letter of January 3, 1983, in response to our letter dated December 2, 1982. As a result of our review, we find that the following additional information, as discussed with Mr. Cliff Zych during a telephone call on January 20, 1983, is needed with respect to the items in the Notice of Nonconformance:

- Item A: Please describe your actions taken to preclude recurrence and the measures that have been taken to assure that procedures exist for using other measuring and test equipment.
- Item B: Please describe your actions taken to preclude recurrence and describe the specific actions taken to maintain the records. Further, please furnish a copy of the calibration records for the identified testing equipment.
- Item C.1: Please describe your actions taken to preclude recurrence of incorrect information being entered in qualification record cards.
- Item C.2: Please furnish a copy of the identified qualification record cards and describe the specific actions taken to maintain the record cards.
- Item E: Please furnish a copy of the welding equipment calibration records and describe the specific actions taken to maintain the records.
