March 6, 1991

Mr. Charles E. MacDonald  
Office of Nuclear Material Safety and Safeguards  
United States Nuclear Regulatory Commission  
Washington, D.C.

Dear Sir:

In accordance with 10CFR 71.12 (C).3, ANR Pipeline Company, N.R.C. License No. 21-24502-1, requests to continue to be registered as a user of Gulf Nuclear, Incorporated, Model 20VS package, identification number USA 9160B(U) under terms of certificate of compliance number 9160 issued to Gulf Nuclear, Incorporated, Webster, Texas.

ANR Pipeline submits the attached Quality Assurance program for NRC approval to satisfy the provisions of 10 CFR 71.

Also enclosed is our check for the \$180.00 application fee as specified in 10 CFR 170.31.10(f).

Sincerely,

*John J. Durant*
