Gentlemen:

Subject: Inspection Report No. 70-371/91-01

This letter refers to the routine safety inspection conducted by Mr. J. Roth of this office on February 19-22, 1991, at your facilities in Montville, Connecticut, of activities authorized by NRC License No. SNM-368. The inspection included a review of operations, nuclear criticality safety, as well as selected area decommissioning and decontamination and transportation activities. At the conclusion of the inspection, the findings were discussed with you and those members of your staff identified in the enclosed report. Areas examined during the inspection are identified in the report. The inspection consisted of a selective examination of procedures and representative records, interviews with personnel, and observation of activities in progress.

Based on the results of this inspection, none of your activities appeared to be in violation of NRC requirements and no response to this letter is required.

In accordance with 10 CFR 2.790 of the Commission's regulations, a copy of this letter and the enclosure will be placed in the NRC's Public Document Room unless you notify this office within 10 days of the date of this letter, that you intend to request withholding of information under 10 CFR 2.790(b)(1). That notification may be made to the Chief, Document Control Section, USNRC Region I at (215) 337-5223.

Sincerely,

Original Signed By:
