Mr. Ted Hart
U.S. Department of Energy
Office of International Affairs
I A-12, Mail Stop 7F 031
Washington, D.C. 20585

Dear Mr. Hart:

Enclosed is a letter from Transnuclear requesting an amendment to export license XSNM01982 to authorize the export of Australian origin material.

Your assistance in obtaining the required approvals pursuant to the U.S.-Australia Agreement for Peaceful Uses of Nuclear Energy will be greatly appreciated.

Sincerely,

A handwritten signature in dark ink, appearing to read "James V. Zimmerman", with a long horizontal flourish extending to the right.

James V. Zimmerman, Assistant Director
Export/Import and International Safeguards
Office of International Programs
