Re: URGENT Request  
Export License Application XSNM02593 for the Fessenheim 2

Dear Betty:

In addition to our above application dated March 4, 1991 for the above export license, Transnuclear, Inc. requests that the following be added:

- Intermediate Consignee: FBFC  
Pierrelatte or Romans, France
- Intermediate End Use: Conversion

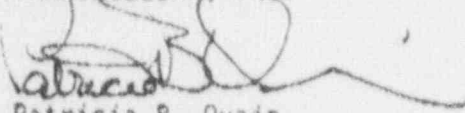

Since Martin Marietta, Piketon, Ohio is scheduled to ship from their facility on May 1, 1991, it is imperative that assurance letters be received immediately.

All other terms and conditions remain unchanged.

Please contact me at once if additional information is needed.

Very truly yours,

TRANSNUCLEAR, INC.
