

MAR 24 1983

Docket No. 50-346

Toledo Edison Company
ATTN: Mr. Richard P. Crouse
Vice President
Nuclear
Edison Plaza
300 Madison Avenue
Toledo, OH 43652

Gentlemen:

This refers to the enforcement conference conducted by me and members of my staff on March 9, 1983, at the Davis-Besse site with you and members of your staff.

The enclosed copy of our report identifies topics discussed during the conference. As indicated in the report, the purpose of this enforcement conference was to discuss NRC concerns in the areas of maintenance, drawing control and equipment operability.

As we agreed, my staff will meet with your staff to further discuss the details of your comprehensive corrective action program in the areas of maintenance and drawing control. As we further agreed, following that meeting you will submit a written response to us describing corrective actions in this area.

In accordance with 10 CFR 2.790(a), a copy of this letter and the enclosure(s) will be placed in the NRC Public Document Room unless you notify this office, by telephone, within ten days of the date of this letter and submit written application to withhold information contained therein within thirty days of the date of this letter. Such application must be consistent with the requirements of 2.790(b)(1).

Your cooperation with us is appreciated. We will gladly discuss any questions you have concerning the enclosed report.

Sincerely,

Original Signed by C.E. Norelius

C. E. Norelius, Director
