Dear Ms. Bennington:

Ref: Letter, J. B. Edgar to G. M. Bennington, same subject, dated July 21, 1994.

**ADVANCED NOTIFICATION OF EXPORT SHIPMENT**

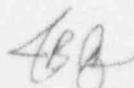

In the referenced letter, Siemens Power Corporation (SPC) provided advanced notification of an export shipment of nuclear fuel to Taiwan. Per our recent telephone conversation, the port and date of export have both been changed. The revised information in Items 1b and 4 from the referenced letter is presented below:

1b. Carrier  
American President Lines  
Oakland Middle Harbor  
1395 Middle Harbor Road  
Oakland, CA 94607  
(510) 272-3974

4. Schedule  
The shipment is scheduled to depart from Oakland, California, on August 18, 1994, and is expected to arrive at Kaohsiung, Taiwan on September 2, 1994.

If you have any questions, please call me on (509) 375-8663.

Very truly yours,

James B. Edgar
