**Re: GC-220 Certificate of Compliance**

**Dear Mr. Chappell:**

Further to your letter dated 1994 August 26 concerning the review of Nordion's GC-220 supplement to the initial submission, and the questions arising therefrom, Nordion International Inc. is evaluating the work necessary to prepare and submit appropriate responses. This evaluation is detailed and we are hereby requesting an extension to the response date from 1994 September 26 to 1994 October 31. As of the proposed date, Nordion will submit to you our proposed plan of action with respect to the issues raised.

Thank-you for your consideration of this request. I would appreciate an indication from you as to acceptability and, should you have any questions, I would be pleased to discuss them with you.

Sincerely,

  
P.A. Gray, Manager  
Safety, Environment & Regulatory Affairs
