	This amendment (1) Deletes Neptunium 237 from the materials authorized for export, and (2) Extends the expiration date of the license.		
CONDITION 1	- Exports authorized to any country or destination except Southern Rhodesia and Country Groups W, X, Y and Z in Section 370.1 of the Comprehensive Export Schedule of the U.S. Department of Commerce.		
CONDITION 2	- This license may be retained by the licensee for exhibit on demand to representatives of the Bureau of Customs until the full amount authorized by this license has been exported or the license has expired, whichever is earlier.		
CONDITION 3	- Licensee shall file with the Customs officer or the postmaster one copy, in addition to those otherwise required, of the Shipper's Export Declaration covering each export, and mark such copy for transmittal to the U.S. Atomic Energy Commission, Division of State and Licensee Relations, Washington, D.C. 20545.		
// // // // // END // // // // //			

Neither this license nor any right under this license shall be assigned or otherwise transferred in violation of the provisions of the Atomic Energy Act of 1954.

This license is subject to the right of recapture or control reserved by Section 108 of the Atomic Energy Act of 1954, and to all of the other provisions of said Act, now or hereafter in effect and to all valid rules and regulations of the U. S. Atomic Energy Commission.
