This is a request for records under the provisions of the Freedom of Information Act.

I request a copy of all email and letter correspondence between the NRC and the Federal Energy Regulatory Commission concerning the Indian Point nuclear power station and nearby high pressure gas pipelines.

You may limit this request to a search of the office that typically interacts with FERC on such matters.

You may limit this request to the time period December 1, 2019 and the present.

This is an individual noncommercial request. I declare under penalty of perjury that this request is not for any commercial purpose.

I agree to pay up to \$40 for applicable fees, if necessary.
