MEMORANDUM FOR: John G. Davis, Director
Office of Nuclear Material Safety and Safeguards

FROM: John T. Collins, Regional Administrator, Region IV

SUBJECT: NEBRASKA MEMORANDUM OF UNDERSTANDING

Our respective staffs have reviewed and commented on the subject draft MOU. Minor revisions have been made. Pending review and concurrence by the Office of the Executive Legal Director, it will be ready for signature.

Wayne Kerr believes the signature should be made by you. Your office has indicated a preference for Ross Scarano's signature. Due to recent changes in the location and organization of the Uranium Recovery Licensing Branch and the location of Nebraska in Region IV, I believe it would be appropriate for me to sign the MOU.

If signature by me is acceptable to you, Wayne Kerr, and ELD, we can proceed to finalize the document with Nebraska State officials. Your comments on this will be appreciated.
