Source and Special Nuclear Materials Branch  
Division of Materials Licensing  
United States Atomic Energy Commission  
Washington, D. C. 20545

Subject: SOURCE MATERIAL LICENSE NO. SNB-179  
DATED JUNE 4, 1964  
SPECIAL NUCLEAR MATERIALS LICENSE  
NO. SNM-65 DATED NOVEMBER 3, 1964

Gentlemen:

The business of the Nuclear Metals Division of Textron Inc.  
(formerly Nuclear Metals, Inc.) has been acquired by the Whittaker  
Corporation, of Los Angeles, California.

We would appreciate your informing us of the steps necessary  
to secure the written approval of the Commission for transfer of  
subject licenses to the Whittaker Corporation.

Very truly yours,

NUCLEAR METALS  
Division of Textron Inc.

Philip Thompson, Manager  
Administrative Services
