License No. 24-13574-04  
 Docket No. 030-17649

Gentlemen:

This letter concerns your NPC materials License listed above. Correspondence sent to the address on your license has been returned to us unopened. We have found through telephone contacts or other sources that you can be reached at the above address.

Please be advised that you must notify us of changes in your mailing address and/or location of licensed radioactive material. We would appreciate it if you would review your current license and confirm whether it correctly reflects your mailing address and locations of radioactive material. If there are changes, you should immediately submit an amendment request to: U.S. Nuclear Regulatory Commission, Region III, 799 Roosevelt Road, Glen Ellyn, IL 60137.

A fee may be charged for amendments involving changes in location of radioactive material. Fee questions may be directed to Ms. Glenda Jackson, (301) 492-8740.

If we do not hear from you within 30 days, we plan to turn your files over to our Office of Inspection and Enforcement for appropriate investigation.

Thank you for your cooperation.

Sincerely,

Original Signed By
