Dear Senator Sarbanes:

I am responding to your August 18, 1994, letter in which you forwarded letters from Mr. Richard Ochs and Ms. Helen M. Richick of the Aberdeen Proving Ground Superfund Citizens Coalition. The request concerned copies of all licenses and contamination reports regarding the U.S. Army Aberdeen Proving Ground (APG) including Edgewood Arsenal. ..

On September 16, 1994, we provided Mr. Ochs with a list of readily available documents located at the Nuclear Regulatory Commission's Public Document Room along with instructions on how to file a request under the Freedom of Information Act. A copy of our response to Mr. Ochs is enclosed for your information.

I trust this is responsive to your needs.

Sincerely,

James M. Taylor
