Dear Mr. Cross:

The U.S. Nuclear Regulatory Commission recently received information concerning activities at Beaver Valley Power Station. Details are enclosed for your review and follow-up.

We request that the results of your review and disposition of this matter be submitted to Region I within 30 days of the date of this letter. We expect that your evaluation of this matter will be thorough, objective and of sufficient scope and depth to resolve this matter. We request that your response contain no personal privacy, proprietary, or safeguards information so it can be released to the public and placed in the NRC Public Document Room. If necessary, such information shall be contained in a separate attachment, appropriately marked, which will be withheld from public disclosure. The affidavit required by 10 CFR 2.790(b) must accompany your response if proprietary information is included.

The enclosure to this letter should be controlled and distribution limited to personnel with a "need to know." The enclosure to this letter is considered Exempt from Public Disclosure in accordance with Title 10 Code of Federal Regulations, Part 2.790(a). However, a copy of this letter, excluding the enclosure, will be placed in the NRC Public Document Room.

The response requested by this letter and the accompanying enclosure are not subject to the clearance procedures of the Office of Management and Budget as required by the Paperwork Reduction Act of 1980, Pub. L. 96-511.

If you have any questions concerning this request, please contact Mr. William Lazarus at (610) 337-5231.

Your cooperation with us is appreciated. We will gladly discuss any questions you may have concerning this information.

Sincerely,

Richard W. Cooper, II, Director
