Gentlemen:

In accordance with your application dated May 16, 1983 and its supplement dated June 17, 1983 and pursuant to Title 10, Code of Federal Regulations, Part 70, Materials License No. SNM-1901 is hereby amended authorizing the use of cranes in the vicinity of the Fuel Building and use of the cask handling crane over the Spent Fuel Storage Pool subject to the following condition:

Condition 17. The Operating Supervisor or Shift Supervisor shall verify the administrative procedures listed below are followed:

- a. Procedures for controlling the removal and replacement of interlocks and crane stops.
- b. Procedures for positioning the main cask hoist and hook so as not to travel over the Spent Fuel Pool Storage Racks.

All other conditions of the license shall remain the same.
