

71-0702

October 21, 1994

Mr. John Jankovich
Section Chief
Mail Stop T-8
Washington, D.C. 20555

Mr. Jankovich

I had recently sent you a request to waive fees on a Quality Assurance Program that had inadvertently been cancelled in 1992. I received a telephone call from your Eloise Zeigler on October 19, asking me to formally request the cancellation of that license. This letter is an official request to cancel the Quality Assurance Program issued to Gregory Enterprises Inc. The License number is 0702.

Sincerely,

Larry Gregory
