Docket 50-344
License NPF-1

U.S. Nuclear Regulatory Commission
Attn: Document Control Desk
Washington DC 20555

Dear Sir:

Revision to Termination of Operator License

This letter is to correct a previous Portland General Electric Company (PGE) to Nuclear Regulatory Commission (NRC) letter dated April 17, 1991 for termination of Operator License for Steven Carl Ackley (License Number OP-50338; Docket Number 55-50491).

The April 17, 1991 letter incorrectly stated April 1, 1990 as the date Mr. Ackley's license was no longer needed when in fact the effective date was April 1, 1991.

Please note this letter supersedes our April 17, 1991 letter for stating April 1, 1991 to be the date Mr. Ackley's license was no longer needed.

Sincerely,

T. D. Walt for
J. E. Cross
