Dear Congressional Relations:

I'd appreciate your help in answering a question posed by Mr. Harold Shaffer of Blairsville, Pennsylvania, in the Congressional District I represent.

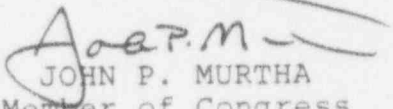

Mr. Shaffer calls to say he saw a report on CNN this week that indicated private citizens are able to buy nuclear reactor parts in an auction.

May I ask if the NRC has a response and background on this particular report and its accuracy? May I ask if the NRC has a general information piece on this question that we could provide to Mr. Shaffer.

As always, thank you for your courtesy and help. If you need information from my office, please contact Bill Allen(225-2065).

With all best wishes.

Sincerely,

JOHN P. MURTHA
Member of Congress
