Attention: Ms. Betty Wright  
Licensing Officer

Subject: LICENSE APPLICATION AMENDMENT  
XCOM 1019 (COPY ATTACHED)

General Electric Company has received the subject license. The current expiration date is September 30, 1993 per the original license.

You are requested to add an item (5) which would permit the exported nuclear reactor components listed in U.S. Regulations 10 CFR Part 110.8(a), Appendix A, (5) thru (9), to be retained by the companies in the countries as indicated in the Ultimate Consignee in Foreign Country blocks of the XCOM 1019.

This change will permit the retention or return of the nuclear reactor components as identified in this license.

All other parts of this XCOM license remain unchanged.
