

NOTICE OF VIOLATION

CTI and Associates
Farmington Hills, Michigan

License No. 21-17007-01
Docket No. 030-12040

During an NRC inspection conducted on October 27, 1994, a violation of NRC requirements was identified. In accordance with the "General Statement of Policy and Procedure for NRC Enforcement Actions," 10 CFR Part 2, Appendix C the violation is listed below:

License Condition 10. of License 21-17007-01 authorized specific storage locations including 1938 Portage Road Kalamazoo, Michigan.

Contrary to the above, as of October 27, 1994, the licensee no longer store license material at 1938 Portage Road, Kalamazoo and licensed material is stored at 3803 Gembret Circle, Kalamazoo, Michigan a location not authorized. Specifically, the licensee released the Portage Road facility to its owner on or before September 30, 1994.

This is a Severity Level IV violation (Supplement VI).

Pursuant to the provisions of 10 CFR 2.201, CTI and Associates is hereby required to submit a written statement or explanation to the U.S. Nuclear Regulatory Commission, Region III, 801 Warrenville Road, Lisle, Illinois, 60532-4351, within 30 days of the date of the letter transmitting this Notice of Violation (Notice). This reply should be clearly marked as a "Reply to a Notice of Violation" and should include for each violation: (1) the reason for the violation, or, if contested, the basis for disputing the violation, (2) the corrective steps that have been taken and the results achieved, (3) the corrective steps that will be taken to avoid further violations, and (4) the date when full compliance will be achieved. If an adequate reply is not received within the time specified in this Notice, an order or a demand for information may be issued as to why the license should not be modified, suspended, or revoked, or why such other action as may be proper should not be taken. Where good cause is shown, consideration will be given to extending the response time.
