By letter dated May 27, 1982 as modified by letter dated July 22, 1982 you submitted an application for license amendment for Point Beach 1 related to replacement of steam generator major components. Supporting information was contained in your submittals of August 9, 1982 and March 1, 1983 which transmitted the Point Beach Unit 1 Steam Generator Repair Report for this action and revision 1 to that report. We have reviewed the information contained in your submittals. Our safety findings are contained in the enclosed Safety Evaluation. The staff's environmental review is still in progress.

Sincerely,

Original signed by  
Robert A. Clark
