FREEDOM OF INFORMATION  
ACT REQUEST

FOIA-90-504  
Rec'd 11-7-90

RE: William Luce

Dear Mr. Berson:

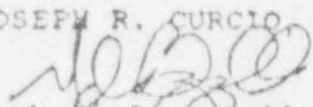

Pursuant to our conversation of November 2, 1990, please consider this letter a request under the Freedom of Information Act. As we discussed, we look forward to receipt of Nite-Site, Inc's file that is on hand at the Nuclear Regulatory Commission. As you will recall, Nite-Site was formerly licensed by the Nuclear Regulatory Commission, and that license was terminated in 1987. You indicated that these files may be in some Federal depository in Maryland and it would take you a few weeks to obtain the file, copy it, and send it to us.

We will diary this request for three weeks and look forward to your response.

If you have any additional questions regarding this request, please do not hesitate to contact the undersigned. We appreciate your anticipated cooperation in this matter and look forward to hearing from you.

Very truly yours,

JOSEPH R. CURCIO, LTD.
