Re: Long Island Lighting Company
(Shoreham Nuclear Power Station,
Unit 1)
Docket No. 50-322 OL (Emergency Planning)

Dear Ms. Swartz:

In your September 1, 1983 letter to Ms. Shoemaker, you state you regret "that the Appeal Board was not available to hear arguments during the week of August 29, 1983". In point of fact, it was not the unavailability of the Board which precluded the oral argument being scheduled for a date during that week. Rather, it was the consideration that the other parties to the appeal were entitled to receive reasonable advance notice of the date of argument.

Sincerely,

Barbara A. Tompkins
Secretary to the
Appeal Board
