Docket No. 50-269, -270, -287  
Selected Licensee Commitments Manual (SLC)

Gentlemen:

Pursuant to 10 CFR 50.4 and 50.71, please find attached 7 copies of the latest revisions to the Oconee Selected Licensee Commitments Manual. The SLC Manual is Chapter 16.0 to the Oconee FSAR. This manual is meant to contain commitments and other station issues that we believe warrant higher control, but are not appropriate in the Technical Specifications (TS). Instead of being updated with the annual FSAR Update, the SLC Manual will be updated monthly as needed during the year.

Very truly yours,

  
J. W. Hampton

Subject: Oconee SLC Revision

This revision to the SLC Manual revises SLC Section 16.9. This change is being added to describe the requirements for maintaining the ASW system in an operable condition. 16.0 is being revised to have new section listed in the table of contents.

Please update your copy of this manual as follows:
