SUBJECT: LETTER FROM SHIELDALLOY METALLURGICAL CORPORATION TO R. A.
NELSON, DATED NOVEMBER 28, 1994

The enclosed letter forwarded information to the U.S. Nuclear Regulatory Commission staff for use in the development of an environmental impact statement. The second paragraph of this letter refers to "...summaries of two Phase I and II cultural resources investigations (along with the full report for each)..." One of these reports and summaries was returned to Shieldalloy Metallurgical Corporation on January 4, 1995, because the report was labelled "NOT FOR PUBLIC DISCLOSURE" and an authorization to release the report had not been received. A copy of this report and the associated summary have not been retained and therefore, are not included in the record.
