Dear Mr. Au:

At the request of Hal Parrish of Barnebey-Cheney, I am forwarding to you a copy of our drawing 5C-5106007-1. As you will note, there have been no changes in this drawing since its creation on January 29, 1970. It has been our practice, in the case of this device, not to make any changes so that we do not have to amend our license or notify you of any changes in the structure of the detector.

I hope you will find the enclosed drawing satisfactory. If you have any questions, please feel free to contact me.

Sincerely,

Edward M. Neel
Radiation Safety Officer
