Dear Dr. Greenwood, Mr. Martonik, and Mr. Brush:

As shown in the enclosed January 6, 1995, letter to Stephen Page of the Environmental Protection Agency (EPA), I have requested that EPA conduct a formal review of the draft "White Paper on Risk Harmonization." As noted in the letter, the Commission has concurred in this request, but identified certain changes that need to be made in the draft. The most significant difference between the enclosed version of the draft White Paper and the version of the White Paper I shared with your staff at the December 12, 1994, EPA-sponsored meeting is the deletion of the recommendations section.

We would appreciate any comments or suggestions that your agency may have on the paper. If you have any questions, please contact me at (301) 415-7800 or have your staff contact Michael Weber at (301) 415-7298.
