Steve Shaffer  
US Nuclear Regulatory Commission  
19 May 1993

Dear Mr. Shaffer,

I am writing to confirm the fact that Diagnostic Radiology Associates is not presently using I-131 or I-125 in it's Nuclear Medicine laboratory. If these agents are used in the future, we will submit a complete quality management program.

Sincerely yours,

  
Gerald R. Berg, M.D.  
Radiation Safety Officer  
Diagnostic Radiology Associates
