IN RESPONSE REFER
TO FOIA-83-354

Dear Ms. Arnold:

This is in response to your letter dated June 27, 1983, in which you requested, pursuant to the Freedom of Information Act (FOIA) copies of documents relating to the costs of construction of and improvements to the western New York Nuclear Service Center, West Valley, New York. In particular you requested copies of:

1. All documents relating to or showing the costs of construction of the Center as a whole and of the Fuel Receiving and Storage facility in particular.
2. All documents which relate to or show the sources of funds for the construction or modification of the Center.
3. All documents which relate to or show the allocation, by facility, of any investments or contributions to the construction or modification of the Center.

In response to your request copies of the documents listed on Appendix A are enclosed. Copies are also being placed in the NRC Public Document Room (NRC PDR), 1717 H Street, N.W., Washington, DC, where they will be available for public inspection and copying.

The charge for reproducing records not located in the NRC PDR is five cents (\$0.05) per page, as specified in 10 CFR 9.14(b), a copy of which is enclosed. Accordingly, the cost of reproducing the enclosed 191 pages is \$9.55. Processing your request required search time of two hours by clerical or administrative employees, at \$5.00 per hour, and seven hours by professional staff members, at \$12.00 per hour for a total of \$94.00, as specified in 10 CFR 9.14(b)(3). You will be billed by the NRC's Division of Accounting for the total amount of \$103.55.

This completes action on your request.

Sincerely,

J. M. Felton, Director
Division of Rules and Records
Office of Administration
