		U.S. EPA Region VIII		FTS 293-1710		
SUBJECT						
Notification of Umetco White Mesa Leach Tank failure						

### SUMMARY

On October 2, 1985, I briefed Laurie Padilla, EPA Waste Radiation, on the leach tank failure and resulting slurry spill of approximately 100,000 gallons at the Umetco White Mesa mill near Blanding, Utah. I indicated that this constituted notification to the U.S. EPA, Region VIII.
